Share-Net Netherlands, Liliane Foundation, and the Dutch Coalition on Disability and Development are pleased to invite you to an online webinar on 20th December, 2022 from 13.00 – 14.30 CET.

In this webinar, the Dutch Coalition on Disability and Development's newest Quick Guide will be launched! This guide offers a wide range of practical tips and tools that will help you to ensure equal access to your Sexual and Reproductive Health and Rights programmes for people with disabilities and inclusion throughout the programme cycle.

We will welcome Jim Monkel, the new Youth Ambassador on SRHR, Gender Equality and Bodily Autonomy, who will have a special focus on disability inclusion in his term. We will also have a Q&A with a panel of disability inclusion practitioners – to whom you can ask all of your questions!

There will be English live captioning and French translation during the webinar. If you have any other access needs that we should consider please write to info@share-net.nl
